News from agencies

Syringa Networks

- S Blvd - Roundabout is about finished and looking good
- Lincoln Rd – fiber has all been relocated and old lines abandoned
- Lots of construction going on in Utah and Western Idaho, not much construction in East Idaho.
- Upgraded our locating software over the Spring and took locating in-house in Utah.

Intermountain Gas

- Lincoln Rd project is still underway, and Knife River is pushing along.
- Lincoln Rd – East of Sand Creek bridge gas lines still need replaced.

IBSD

- Large sections of casing must be pulled out because of dips in line about 130' worth.
- Property behind Kohls 9 acres – 10-11 commercial pads
- Sunnyside/Ammon there's going to be a light put in at the Maverick

City of Idaho Falls

- Lots of subdivisions are going in at once
- Broadway project – underground power
- City is looking at taking all of the power in downtown underground

- A & Park Street the City is upgrading power – gas also must be replaced to do to remodel.
- Bonneville hotel – Inside of building demolition this winter and projected for utility moves/upgrades this Spring.

Horrocks

- Creek Falls Road Island Park – Looking at making 3 lanes
- I-15/Hwy 20 – Still in design/planning state. Items in review
 - Traffic back-ups at exit ramps.
 - Short merge lanes between exits that disrupt the flow of traffic.
 - Interchanges that are too close together.
 - For more information and updates on project: <http://i15us20connector.com/>

Closing and Adjournment

- Meeting was adjourned at 12:07 P.M. by Corrin Warship, President

**Next meeting is set for Tuesday, October 9th, 2018
