

## **Bonner/Boundary Utilities Meeting**

**June 18, 2019**

**Attendance: 9**

**Started: 11:15**

**Current Checking Balance: \$ 22,613.94**

**Old Business:** More discussion happened concerning trying to make locate tickets more efficient:

Be Specific as to what you are doing

Be sure to have area white lined

Homeowners locate tickets won't cover a contractor doing the work

Homeowners think locates will be done beyond the metering point (in their back yard and to out buildings)

No more "locate the whole property"

Don't say call before coming or come to the office

Northern Lights is noticing on locate tickets, frontier is not being listed as company to contact even though we are giving phone ped numbers.

It was brought up USIC locators are extending the tickets without contacting the person or company to make sure the extension is ok.

State UCC Meeting is on September 12<sup>th</sup> & 13<sup>th</sup> in Boise.

Matt said our 811 website is not up yet. It needed some corrections done to it and hopefully it will be up soon.

We purchased another banner and it was used at the Bonner County Bull Ride event at the fairgrounds over the weekend.

**New Business:** Concerns were addressed with Ting concerning the depth of their cable. Sean with Ting was present and requested he be contacted if there is an issue. He also said when crossing alleys in town they are putting the cable in conduit. Sean also said the City of Sandpoint is putting in a trunk line for fiber and will sell the rights to use to other companies.

Dawn with Avista gave a power point presentation on how they reach out to schools, business and the general public concerning safety.

Fat Beam: Naples to Mt Hall is complete -- now starting June 13 from Naples to Northside School and it will take around 3 weeks to go from Samuels to Northside School

Ting: In the City Limits & Westside of the City Limits

Avista: In July will be changing services from the alleys to the alcoves in Main & Cedar Street

**Next Meeting:** Wednesday, July 17, 2019 at Northern Lights @ 11:00am lunch provided
