*Eckert Bridge – Routes during repair/Timeline ? Boise Fire Department inquiring
 Bob Wardlaw from ACHD to have Leslie send info as soon as she is back in the office.

*Project Preview – Back on Track for March... who would like to present?
 ACHD to present in March

*Federal Grants currently frozen (DOPL) / OSHA Outreach Program currently on hold. Anyone else affected?
 No one else mentioned being impacted

*Canyon County UCC – Voted to not merge with Ada County UCC – possible quarterly joined meetings. I will be updating the Calendar appointment to reflect just Ada County UCC so you will see that come across again.

*Google Fiber – Present and Answer Questions
 Local representative: Jayson Overall joverall@google.com
 Road Crossing depts: 8” Residential, if a higher traffic area they will bore
 Right Side Locating is the company they are currently partnered with for Pocatello work
 Digline suggested Damage Prevention training by Jeanniene (DOPL) for Google Fiber contractors that are brought in from out of state.
 New Subdivision builds Google Fiber will be in joint trench with all others.
 Easements/Right Aways – Google Fiber will work closely with Public Works departments

When asked about boring all of their lines instead, responded with Mirco Trenching is faster and less intrusive.

When concerns brought up about road degradation in Pocatello area, Google Fiber responded that they were unaware of any concerns and that they work very closely with all necessary entities for inspections and approvals once install has been completed.

Stated response time when a repair issue arises is typically 1-2 weeks.

*Agency Reports – Did not have time to get to
