Kraig Edwards	Bingham County	(208) 782-3876	kedwards@binghamid.gov

- Bella called the meeting to order at approximately 10:00 a.m.

**Introductions**

**Old Business:** None

**Financial Report:** Current Business Checking Balance as of 3-12-24 was \$2,712.96. However, the check for Blackhawk BBQ (contractor luncheon) in the amount of \$1,387.54 would be clearing shortly, leaving **\$1,325.42** remaining.

**New Business:**

- *Subdivisions* – Gwen reported 2 new subdivisions; Cedar Estates Division 4 (43 lots) in Section 16, T1N R37E and Underwood Subdivision (2 lots) in Section 26, T2S R34E.
- *Bingham County Public Works* - Dusty Whited discussed the recent decision regarding the removal of the ribbon curb requirement and a new Resolution that will require water (primarily irrigation) lines to be sleeved when placed under a right-of-way. Dusty also noted that their busy season is just getting started, especially with the recent snow melt.
- *City of Blackfoot* – Princeton Lee stated that the Airport Townhomes Subdivision is progressing and that existing homes were currently being demolished for the Townhomes at Cromwell Subdivision. Scott Murphy reported that they had finished their evaluations for the Pendlebury project and the winning contractor should be receiving notice within the next week or so. He also stated that they were in the negotiation process with HLE, as they had won the Meridian/HWY 91 project and that JUB will be designing the upgrade for Riverton road as they are already designing the sewer line upgrades along the same stretch. Princeton stated that the City of Blackfoot will be purchasing a GPS receiver, as part of the Utah Reference Network (TURN) and will be coming on line in just a few weeks.
